

A Timeline of Type Casting Machine Development

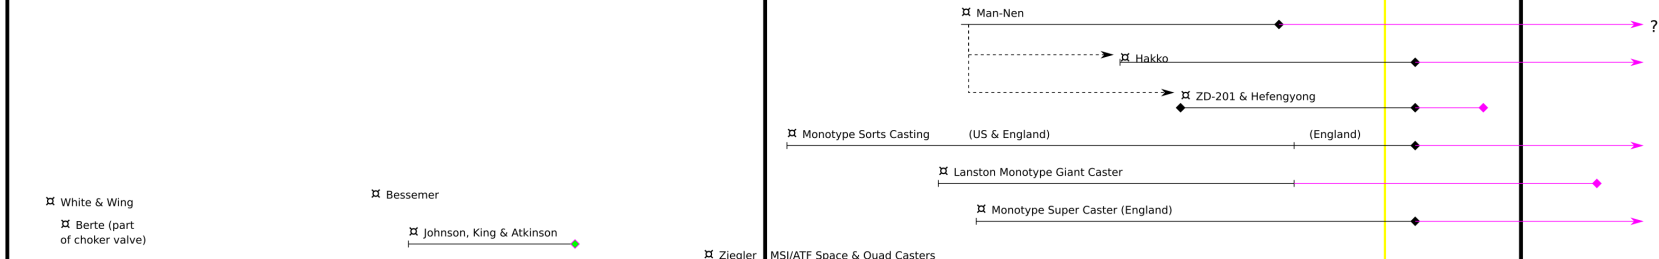

1800 '20 '40 '60 '80 1900 '20 '40 '60 '80 2000 '20

Precursors & Technologies

Used for production and used by matrix justifiers
Hand Mold (15th century)

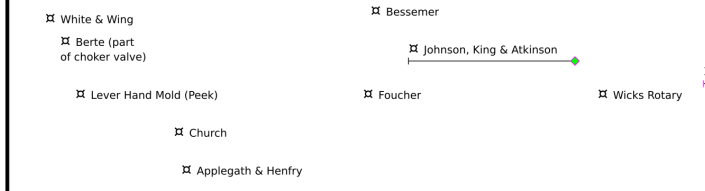

Mainstream

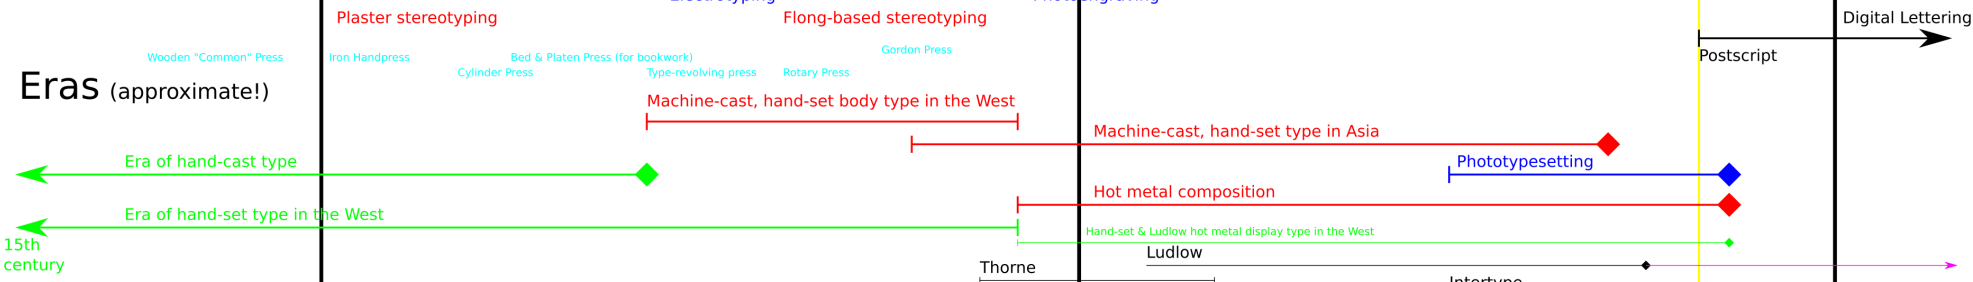

One or more machines still in use

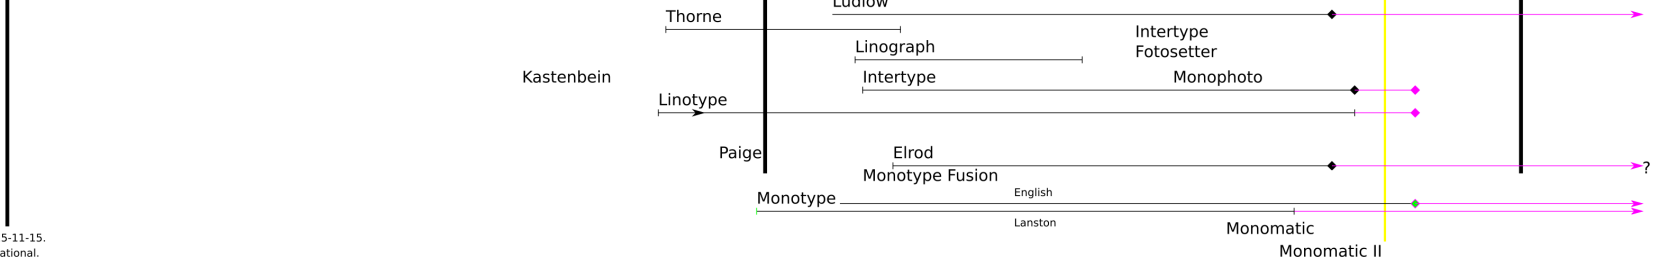

Noteworthy

Eras (approximate!)

Other Machines & Technologies

CAUTION: Terminal dates of manufacture can be hard to discover. Many of those here are just guesses. A diamond symbolizes uncertainty.
