AUTUMN EXCURSIONS

This is the best time of the year to take that delightful Ocean Trip on the Palace Steamer Atlantic. It is undoubtedly worth a special effort to embrace the opportunity offered during the few remaining days of the season. It is, in truth, the most delightful time of all the year for a grand ocean sail. The sun has a softer glow, the air is milder, and it seems as if everything blends to make such a trip a grand success

SCIENTIFIC ACADEMY OPENED

The next School Year begins September 30th, 1895, and closes June 13th, 1896. The Teaching Staff is now the strongest in the history of the School, and, taken as a whole, is believed to be equal to any in the country. The buildings are all heated by low pressure steam, and ventilated by the most approved method, and contain seventeen large school rooms, furnished with every facility for the most advanced studies; cloak rooms; a refectory, where about one-quarter of the scholars dine; a well-equipped gymnasium and library. The Headmaster will be at the academy every day, between 1 and 5 o'clock P. M.
