

# Elzevir Florets

MANUFACTURED BY DICKINSON TYPE FOUNDRY, BOSTON, MASS.

The following Florets (by numbers) make a fine effect when one is printed over the other in colors or tints  
22-29, 23-30, 24-31, 25-32, 26-35, 27-34, 28-33, 36-44, 37-43, 38-42, 39-41

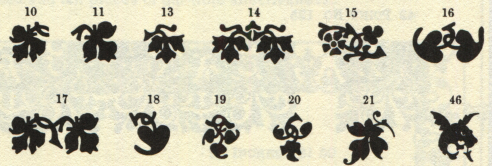

## GROUP A

Complete font \$1.50 Extra characters each 8 cts.

## GROUP B

Complete font \$2.00 Extra characters each 10 cts.

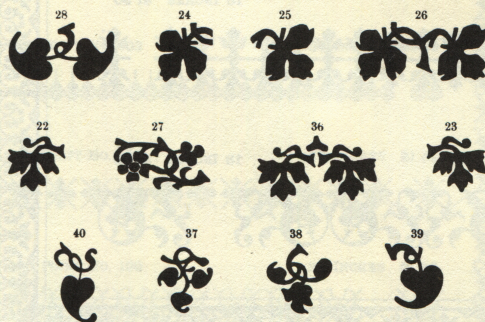

# Elzevir Florets

These characters were much admired by Printers of the 16th century, and were freely used in the books of that time. Every notable Printer in adopting the idea of the Floret, contributed his own variations, which were principally modifications of the grape in leaf, tendrils and vine. These variations are reproduced here to a certain extent. There is a strength and virility in the ornaments which readily overcome any objections to the crudeness in designs, and make them attractive to the appreciative printer of to-day.

## GROUP C

Complete font \$2.00 Extra characters each 12 cts.

## GROUP D

Complete font \$2.00 Extra characters each 12 cts.
