Special Shipping Instructions

PLEASE READ CAREFULLY

In order to give good service and sell at the lowest possible prices we conduct a strictly **Cash With Order Mail Order Business**. Bookkeeping, billing and office expenses are eliminated along with other unnecessary overhead, making our prices the lowest at which type of Van-Fos quality can be sold. To avoid errors please order by mail. Misunderstandings frequently arise from telephone orders which not only cause delay and disappointment, but in many instances extra expense. C.O.D. orders cannot be accepted by telephone because it is necessary for us to have a deposit to cover postage and charges in event the package is returned. Help us to keep the prices down. Send cash with order.

Please remember — our margin of profit **WILL NOT PERMIT US TO SELL ON OPEN ACCOUNT** — to do so would compel us to increase prices. This is a firm rule and correspondence on the subject will be useless.

Follow these rules for prompt and efficient service:
Read your order over carefully — be sure you have correct size and style desired, total the cost and add sufficient to cover postage — **SEE POSTAGE SCHEDULE** — Send Money Order or Check with Order. If in doubt as to the cost of postage add extra, any excess will be returned.

MINIMUM ORDER \$3.00

Please ADD Sufficient POSTAGE

You can compute the approximate postage by the following table: (Any Excess postage returned)

If your Order is less than	ZONE								Example
	2	3	4	5	6	7	8	1	
\$3.00	56	59	65	74	83	93	1.03	90	
Ex. ad'l \$ add	06	07	09	13	16	20	22	30	

Rates Subject to Change with Parcel Rate Increases

Example: If you are in the 3rd Zone and your order is for \$10 your first \$3. will be 59c and the remaining \$8 cost but 56c or a total of \$1.15. You can save by sending in fewer but larger orders

Pennsylvania customers must add the State Sales Tax.
